● TOPIC 2.4.1

The Fare Family Tree

Fares can be grouped by who can buy them and how they are sold.

**Public (Published)**

Anyone can buy; filed via ATPCO and visible in GDS.

**Private (Negotiated)**

Restricted to specific agencies or companies.

**Special / Discounted**

For eligible passengers: students, seniors, armed forces.

**Group**

Travelling together: usually 10 or more passengers.

● TOPIC 2.4.2

Published vs Negotiated Fares

Published Fares

- Available to all passengers and agents
- Filed publicly with ATPCO
- Standard rules and commission
- Priced automatically in GDS

VS

Negotiated Fares

- Contracted with a company or consolidator
- Hidden from the public
- Net fare + agency mark-up, or corporate discount
- Needs account code / tour code

● TOPIC 2.4.2

Corporate & Contracted Fares

Corporate Deal

Airline gives a company % discount or fixed fares in return for volume.

Account Codes

Special codes unlock the fare when booking in the GDS.

Performance

Deals reviewed yearly based on market share targets.

● TOPIC 2.4.3

Special Fares: Who Qualifies?

Eligibility and ID checks are mandatory.

● TOPIC 2.4.4

Choosing Wisely: Agent's Checklist

**Eligibility**

Does the passenger qualify (ID, age, company)?

**Flexibility vs price**

Cheaper fares carry stricter change and refund rules.

**Inclusions**

Compare baggage, seats and meals — not just price.

**GOLDEN RULE**

The cheapest fare is not always the best fare. Match the fare rules to the traveller's real needs and explain the trade-offs clearly.

● TOPIC 2.4.4
